"To Rio High our dreams and hopes we bring, And through the years we'll help her praises ring, So, as each one goes forth to spread her fame, We shall be loyal and proudly wear her name."

This verse of our Alma Mater expresses the feelings of all Rio Americano students. As we walk across her campus, sit in her classrooms, and take part in her activities, our memories are stirred and our minds awakened. Rio Americano has helped to shape our lives as we have progressed over four years with eagerness and anticipation. As anxious freshmen we brought her our dreams and she has turned them to realities. Rio Americano has made our youth magical, and we, in turn, have made her strong.

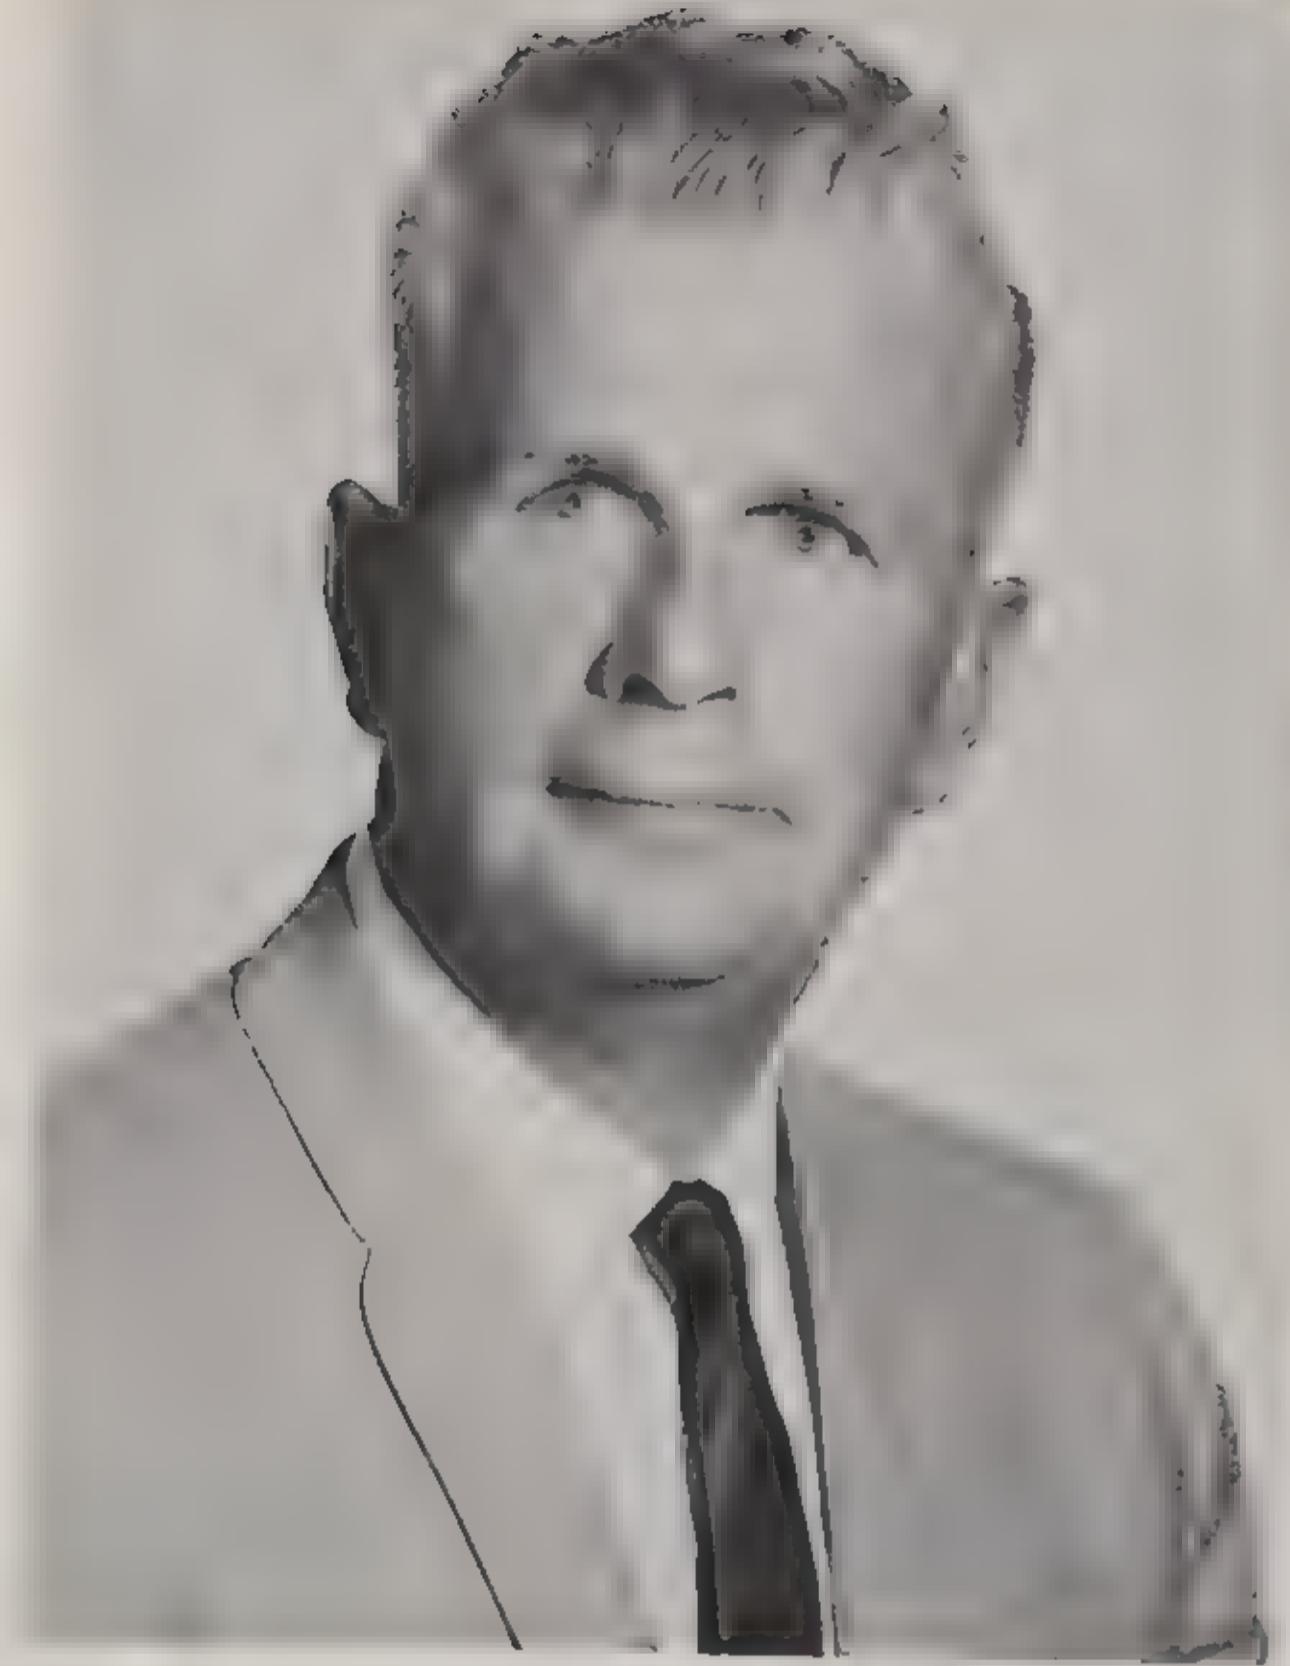

With a flying leap, HE'S SAFE!!

What are you laughing for? Class starts in five minutes.

Dr. Ferd Kiesel  
S.J.U.S.D. SUPERINTENDENT

## DISTRICT OFFICE SEES CHANGES

The 1966-67 year saw many changes in the District Office. Effective January First, the Superintendent's Cabinet went through a complete revision. Mr. Ray Curry became the Assistant Superintendent for Secondary Education; Mr. Tom Coleman became Assistant Superintendent for Elementary Education; Dr. James Cowan became Assistant Superintendent of Business Services; Mr. Basil Nichols became director of Maintenance and School Facilities; and Mr. Budd Westreich became Administrative Assistant and public Relations Director.

The Board of Directors was altered when Mr. Andrew Strain resigned effective October First to take a State Department position in Thailand. After a one month vacancy, Mr. William McMasters, Public Relations Man for the Southern Pacific Telephone Company, was appointed to the position. He will finish the two and one half term of office.

Other members of the Board of Directors are Mr. John Fabretti, Chairman of the Board, Dr. Darol Rasmussen, Mr. Harold Wrenn, and Mr. John Goodman.

## ADMINISTRATORS SHOW INTEREST

From desk work and advising to sports events and chaperoning, our Principal and Deans have always been present.

Known to most students as merely disciplinarians, few people realize the complete scope of the administrators job. Conducting faculty and staff meetings, supervising and coordinating the co-curricular activities, working on student parent relations and coordinating and expanding the class offerings are only a few of the everyday tasks they encounter.

Although, to many, they may be no more than a voice over the inter-com, Mr. Brewer and our deans are an integral part of Rio Americano.

Mrs. Murnan and the Junior Class President, Roger Berry, discuss plans for the year's activities.

# ENGLISH DEPT. OFFERS NEW COURSES

The English Department with the addition of six new teachers, offered semester courses in Senior Composition and World Literature. The World Literature classes, which incorporate a new seminar approach, studied world authors and their works. Creative writing of descriptive themes, short stories, and poetry, were undertaken by the Senior Composition classes.

# LIBRARY HAS NEW HOURS

The humming silence of the Library is reflected in over 9,000 books, pamphlets, magazines and records. From Plato to Pop Art, the Library contains something for everyone. A peaceful atmosphere is provided for students wishing to study alone, and conference rooms are provided for working on group projects. Under the direction of Miss Lois Hankamp, the Library is open before and after school for students' convenience, and on Monday nights from 7:00 to 9:00 P.M.

Studying for fun and profit.

Miss Chirone, what are you doing here?

Miss Lois Hankamp,  
HEAD LIBRARIAN

Miss Hankamp files some periodicals in the new shelves in the conference rooms.

# SPANISH STUDENTS ATTEND COLLEGE

With the help of two new teachers, the Foreign Language Department offered courses in Spanish, German, French, and Latin, taught on four levels. Spanish students wishing to undertake level 5 work found the course at Sacramento State College. Six students took advantage of the class which required extensive reading of novels, plays, poetry and magazines. The class also involved interesting studies of past and present cultures and the histories of many Spanish speaking countries.

# INDUSTRIAL ARTS OFFERS CRAFTS

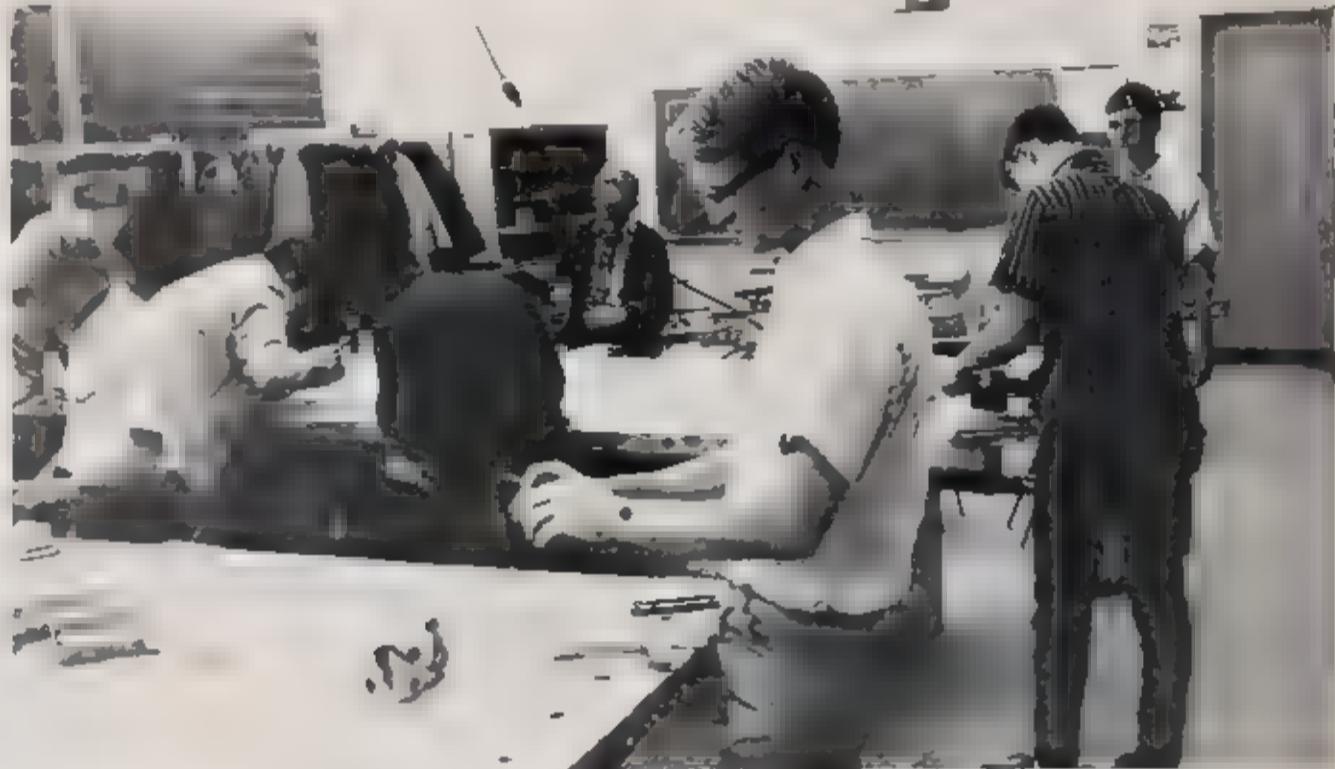

The introduction of a Crafts Program marked a new addition to the Industrial Arts Department this year. The Crafts Program is open to both boys and girls interested in increasing their skills by making both decorative and useful projects.

Plans were made for the new Industrial Arts Building which we should have for the 1967-68 school year. With the new building, the department will offer complete courses in woodworking, metal, electricity, and automobile mechanics.

Mr. Ray Jones  
DEPARTMENT CHAIRMAN

Mr. Bob Jackson

Hours of careful work are needed to complete a good woodshop project.

Mr. Bill Mensch

The key to a successful project is precision and accuracy.

# 3 FIRSTS IN ART DEPARTMENT

An advanced art class, a decorative arts class, and a new teacher, Mr. Sugimoto, were three firsts for the Art Department this year. The advanced art class was responsible for setting up all school displays, but they still found time to participate in local art contests. The decorative art class was taught in a cooperative effort between the art and home economics departments. Classes offered ranged from Art 1 and Art Survey to Production Art and Sculpture.

Mr. Peterson's art class made life-size paper mache statues this year.

Miss Chirone tells her students of a forthcoming art project.

# MADRIGALS AND BAND GET OUTFITS

After four long years of waiting, the members of Rio's concert band received their uniforms. Along with the orchestra, the band participated in three festivals and several concerts. With the help of the band, and in conjunction with the Drama Department, the Music Department presented Rio's first musical: "The Music Man".

Rio Americano's top singing group, the Madrigals, highlighted their performances with the addition of blue and green evening gowns and white dinner jackets. The A'capella Choir and the Madrigals joined together to present several excellent concerts for the Sacramento area.

The Girls' Chorus prepares to sing for the parents.

"Sing louder!" Mrs. Patterson urges.

# BUSINESS ED. DEPARTMENT GIVES CERTIFICATES

The Business Education Department is responsible for preparing students for future secretarial jobs. They do this by offering valuable courses in typing, shorthand, bookkeeping, and business math. This year was the first that certificates were given to students who had completed the required business courses and could pass a general test that showed they were qualified for jobs as office clerks, stenographers, and clerk typists.

Mrs. Phyllis Skidmore  
DEPARTMENT CHAIRMAN

Mrs. Skidmore helps with an exercise.

Miss Susan Dill

Mr. Tom Metcalf

Mr. Bill Hintz

Typing without looking at the keys is the hardest aspect of typing.

# HOME EC. GIVES TEA FOR SENIORS

Mrs. Irene Yarmaski  
DEPARTMENT CHAIRMAN

The Home Economics Department offers practical experience for home use as well as preparation for future college Home Economics majors. Courses in Clothing, Foods, and Decorative Arts are available. This year the Home Economics Department in conjunction with the Art and Student Activities Department, sponsored the First Senior Tea, which honored the girls of Rio Americano's first graduating class.

Mrs. Pam Toombs

Mrs. Duell instructs a student in the art of cooking.

Mrs. Phyllis Duell

Mrs. Toombs shows how to knit.

Free food is another reason for taking home economics.

## TWO NEW COURSES FOR EXCEL STUDENTS

The Mathematics Department, under the direction of Mr. Bill Martin, enlarged this year with the addition of four new teachers and two new classes. The trigonometry and mathematical analysis courses were designed to prepare students for calculus. Both courses were for students who had previous math classes in which they excelled. The classes required a good deal of concentration and work.

Mr. Bill Martin  
DEPARTMENT CHAIRMAN

Mr. Al Berkowitz

# SPECIAL EDUCATION WING BUILT

To the front of the C D Attendance Office, a new Special Education classroom was erected. Its walls enclose new equipment, eager students, and two dedicated teachers. This room and its contents work together in preparing handicapped students for the future.

Through a new program, physically handicapped students of all ages and grade levels have had an opportunity to develop their potential in an area of their choosing. In the future, they may be assisted by the department's addition of a new teacher. Rio Americano is certainly proud of the progress being made by this department.

Mr. Joe Kine

Mrs. Bourke

Ken Richardson, the Teacher's Assistant, helps Kenny Bing.

# SOCIAL SCIENCE EXPANDS COURSES

Our Social Science Department was bursting with pride this year. Their plans for the present and the future have and are becoming realities with the constant efforts of eleven teachers.

Course offerings were expanded from the previous World History, U.S. History, and California History classes to include Civics, Problems of American Government, Economics, Sociology,

and World Geography.

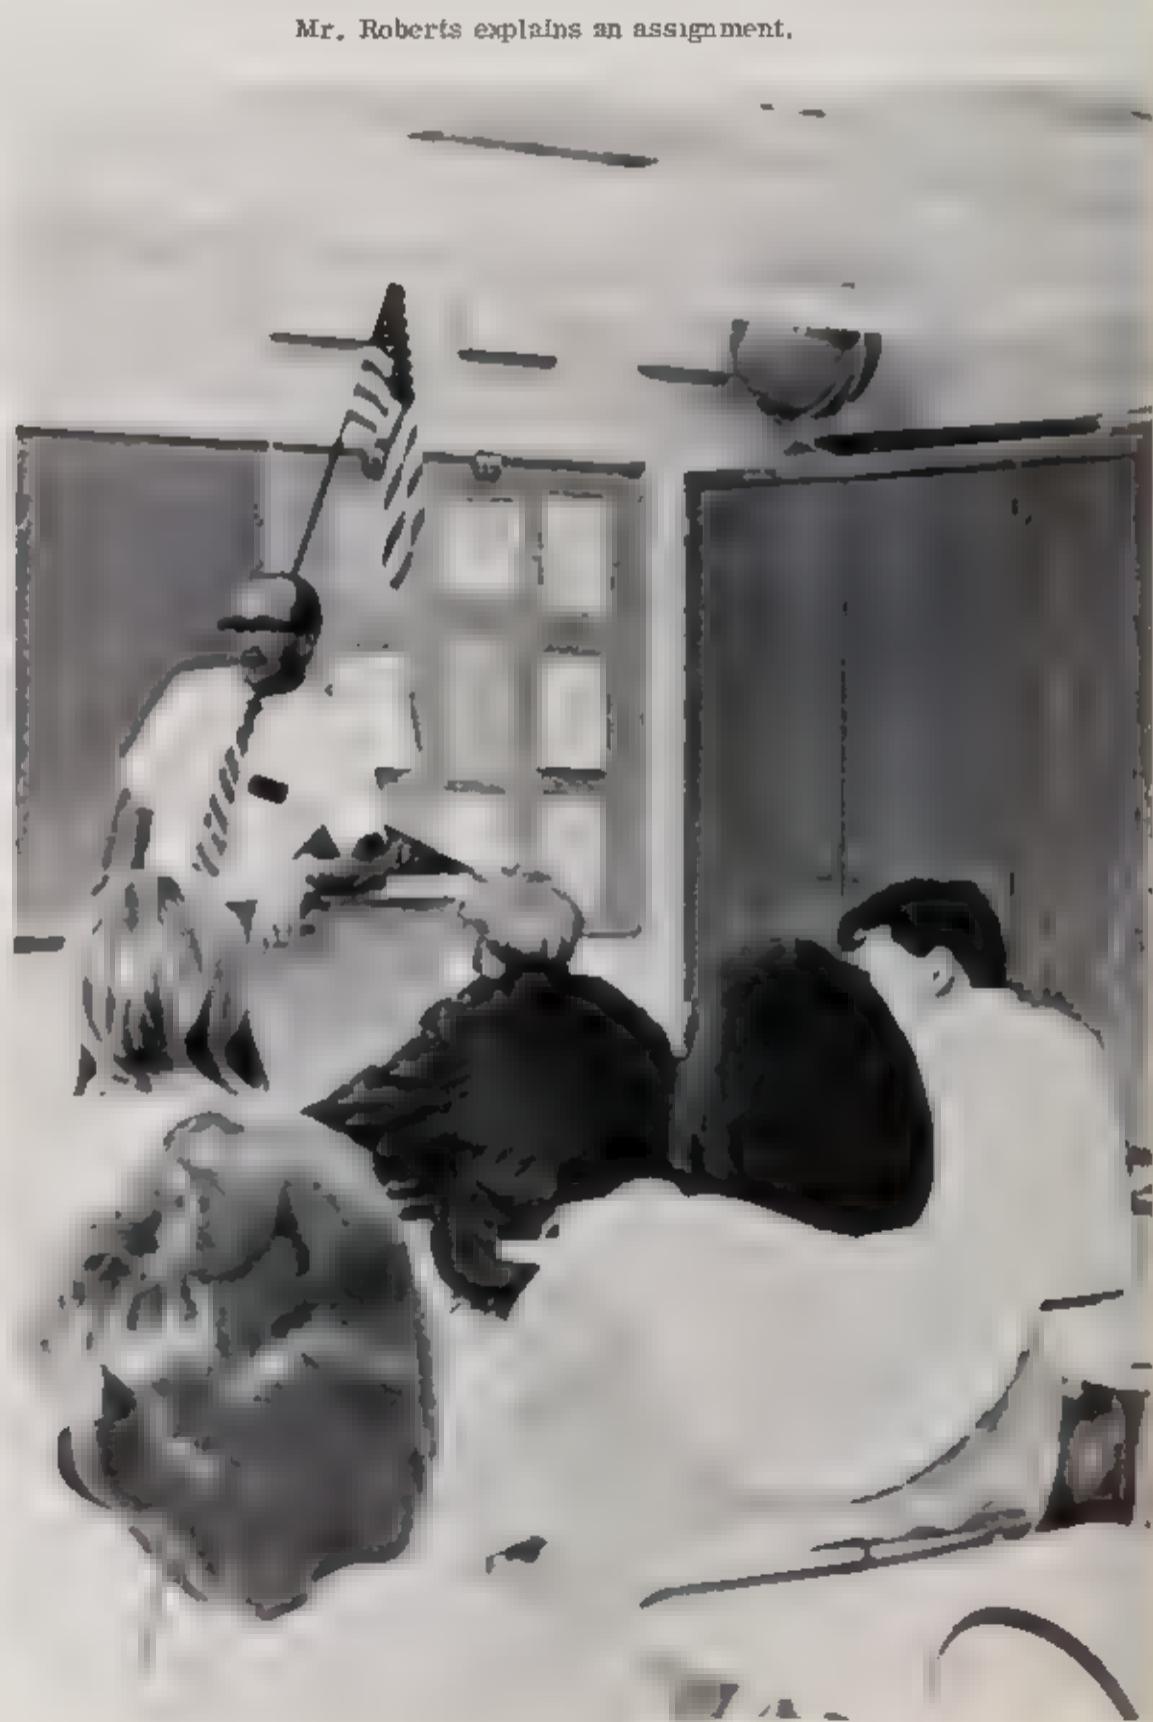

Our senior students enrolled in Civics classes, took tours of the Sacramento County Government in the spring and fall. The American Government classes participated in community projects. They learned about the social, economical, and governmental problems of the greater Sacramento area.

Mr. Charles LaDue  
DEPARTMENT CHAIRMAN

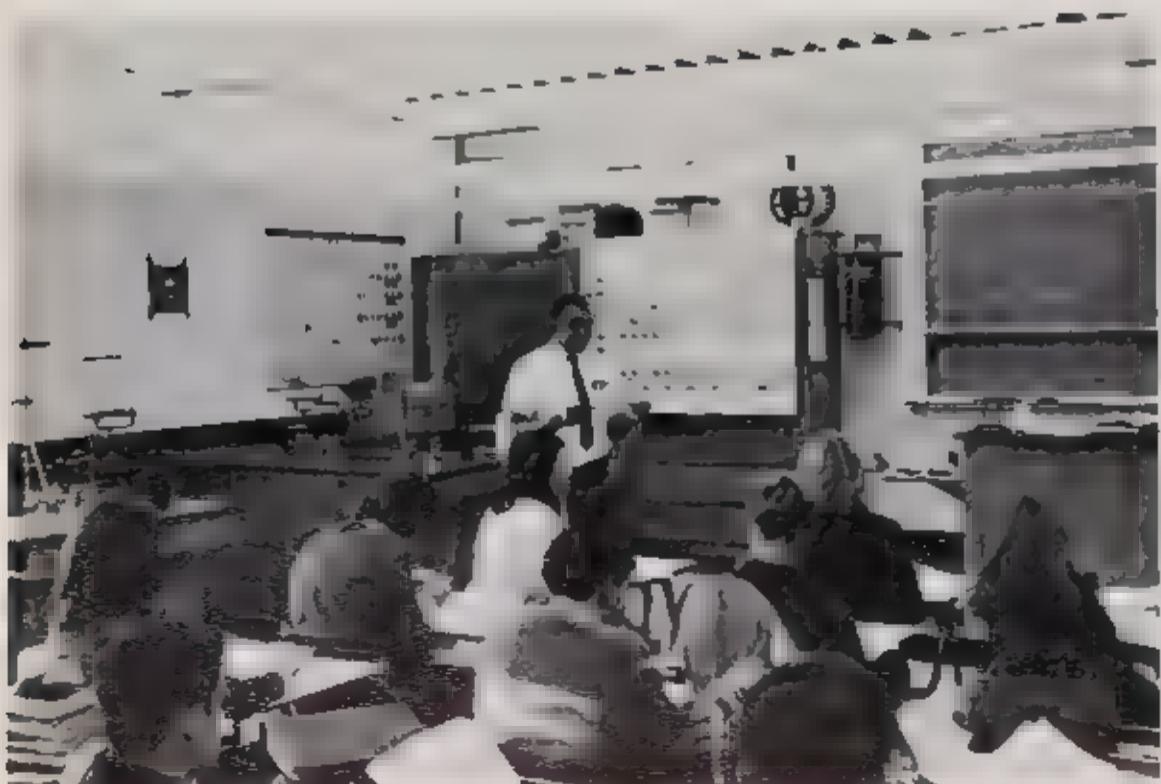

Mrs. Carol Romine

## SCIENCE DEPARTMENT ENLARGES

In addition to two new teachers, the Science Department offered courses in Physiology and Botany-Zoology. The scope of the Physiology course was centered around the anatomical and physiological study of the human body. Sixty percent of the classwork was devoted to lab study which included dissections and chemical analyses. The Botany-Zoology class studied such areas as the origin and organization of living matter and heredity and its evolutionary implications. The course was an extension of the Biology class, designed to fill the University of California requirement for a laboratory science.

Mrs. Romine dictates notes, notes, and more notes for biology students.

# LARGER LOCKER ROOMS BUT...

Miss Janet Bee, Girls' P.E.  
DEPARTMENT CHAIRMAN

Mr. Jerry Kaeser, Boys' P.E.  
DEPARTMENT CHAIRMAN

Mrs. Winnie Dunn

Both the boys and girls found their P. E. conditions crowded and almost unbearable this year. The locker rooms which formerly were used by only two classes, were suddenly forced to accommodate 800 more students. In addition to these complaints, the boys were twice as upset when their sports program was limited by the lack of facilities.

Mr. Manfredi takes roll call as the boys splash around.

# FALL SPORTS

# SECOND VARSITY YEAR PROVES SUCCESSFUL

The Raiders, in their second year of varsity competition, started the season strongly with an overwhelming victory over Galt.

The Raiders then went into a tail-spin, dropping three straight games, two of which were league contests. Then the Raiders halted their slump by defeating El Camino in a thrilling game with a miraculous come-from-behind effort.

Next Rio took on the Encina Apaches and played

an exceptionally fine game, only to lose in the final minutes of the bitter struggle.

Nevertheless, Raider fans enjoyed every second of Rio's following game against Del Campo, as the Raiders won a crushing victory over the Cougars.

The Raiders lost their next game, but came back strong in their final game against San Juan, when they scored in the final seconds to tie the Spartans.

# "THIRTEEN" STYMIES SOPHOMORES

"Yes Sir!" "No Sir!" These words typified the military style Sophomore practice sessions and paid off in a 4-4-1 season.

Whether it was the practices in the dark, or the long wind sprints, the Sophomore team was one of the strongest defensive teams in the league.

The over-all season had its interesting ups and downs as the number Thirteen seemed to become a fixation for the team. Although the pre-league games were easy victories for the Sophs., Mira Loma defeated them in the first league games.

Rio then picked up another win when they played La Sierra. And after being stopped by El Camino and Encina, the Raiders came back to tie Del Campo in a bitter struggle.

At this point in the season none of the game scores had found Rio higher than Thirteen points; and even in defeating Bella Vista, the score was still 13 to 6.

The final goal for the team was to break the spell and Rio was successful with their score of Fourteen, only to lose to San Juan in another close game.

# FRESHMEN WIN FOUR

The Raider's Freshman team began their season with three impressive wins. However, Bella Vista and Encina stopped their bid for an undefeated season with two decisive victories.

The rejuvenated Freshman team then came back with two successive strong games - beating Mira Loma in the first game, but losing a heartbreaker to La Sierra. The Raiders then dropped the final game of the season to San Juan.

# VARSITY PLACES FIFTH IN LEAGUE

Our Varsity Cross Country Team, sparked by Pete Boutin, Paul Kronenberg and Lyle Fortado had a successful season this year. The team placed fifth in the district finals after competing in eight league meets and seven duel meets.

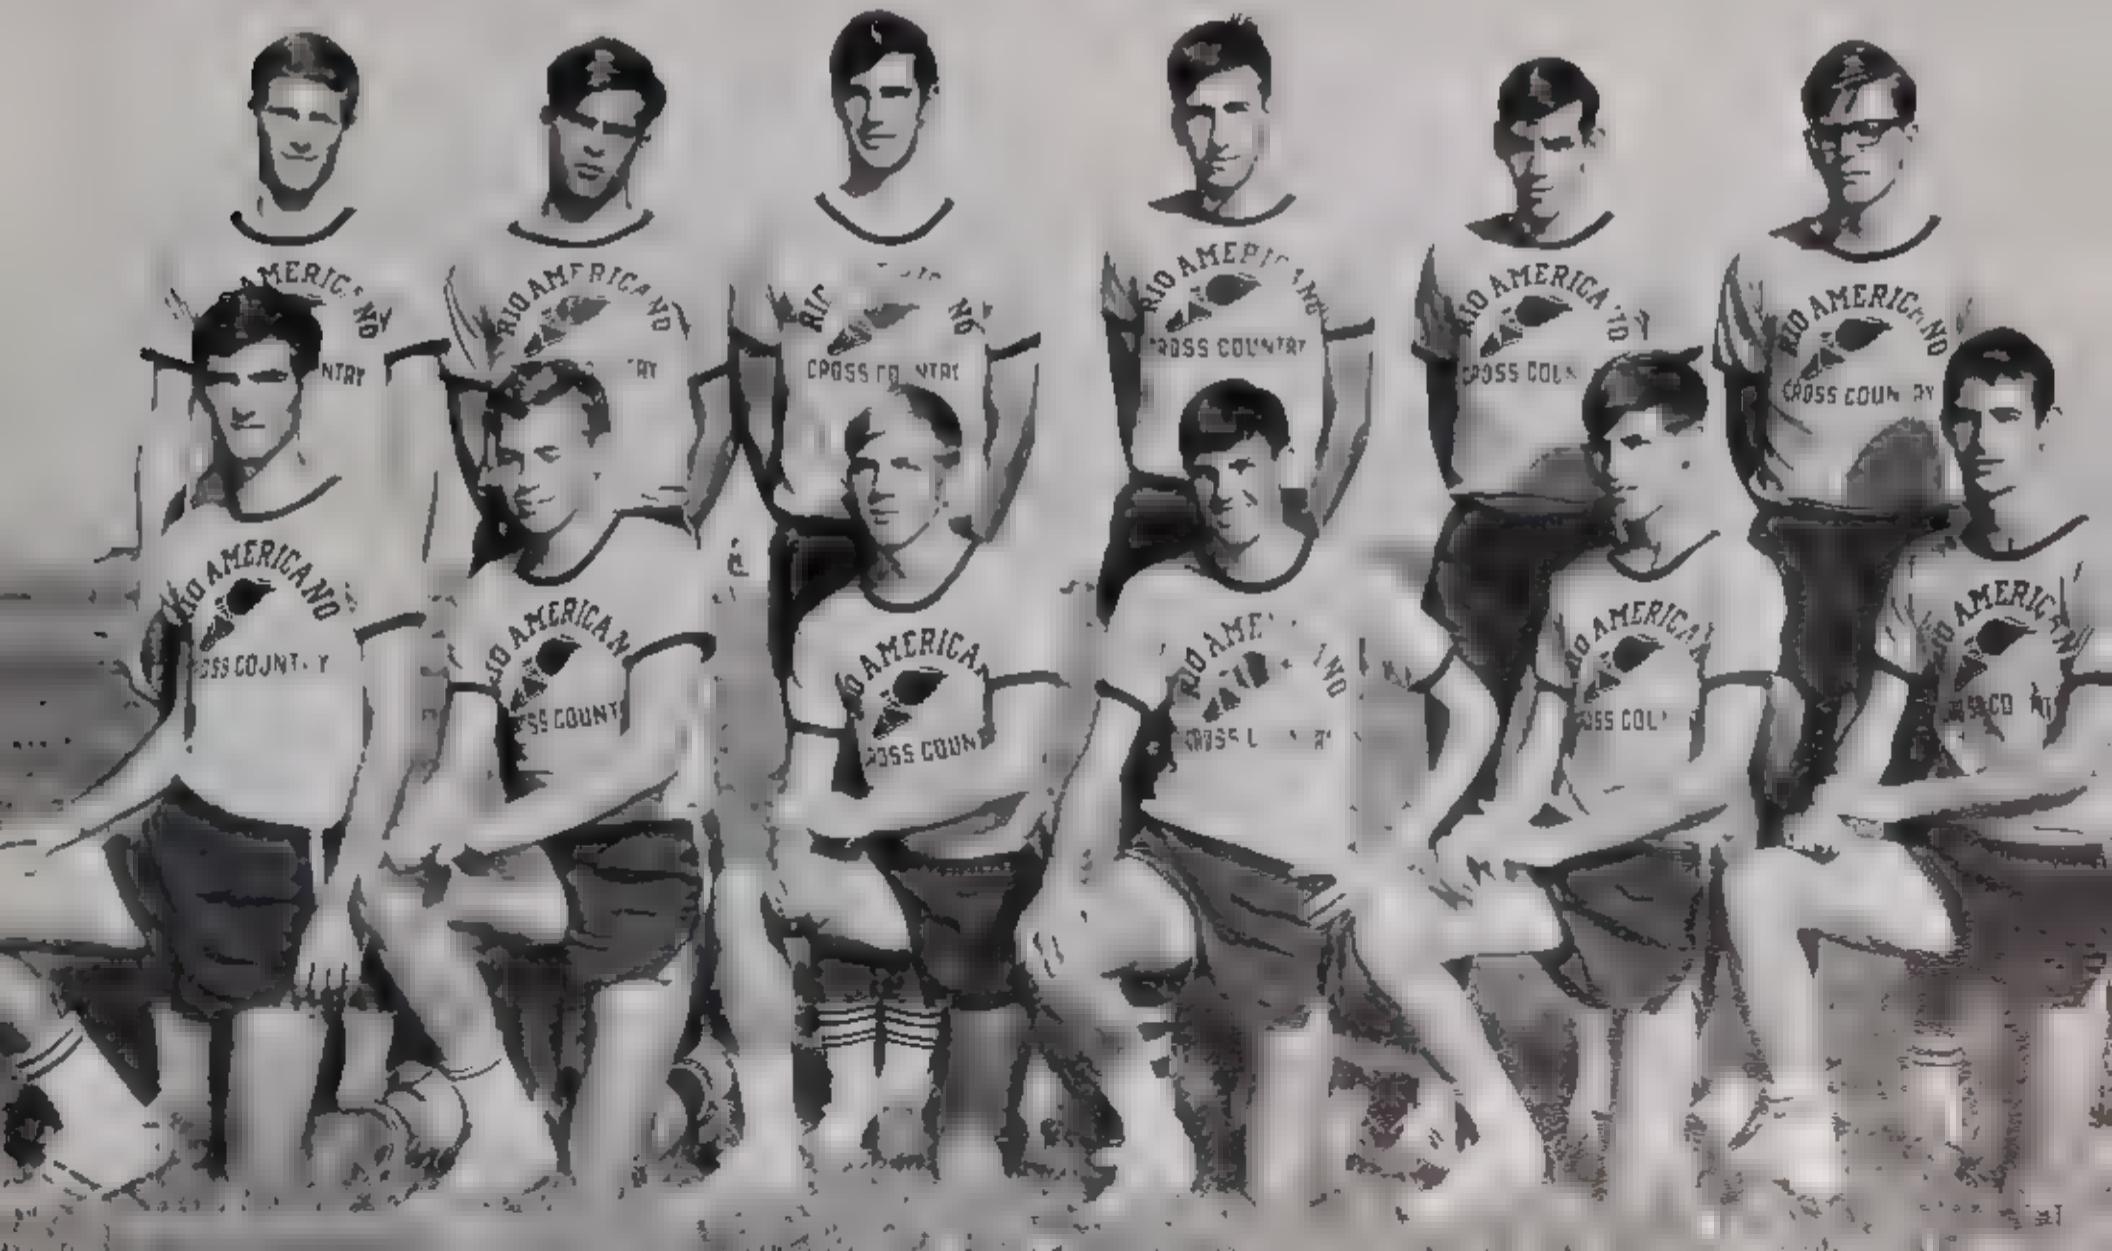

The Sophomores proved victorious when they tied with Encina and El Camino for the League championship. And, although our Freshman Cross Country Team was defeated in league competition, they showed strong promise for the future.

In addition, eleven of Rio's Varsity, Sophomore and Freshman Cross Country stars received medals in the annual league meet.

# SENIOR LAWN...

## ONCE A DREAM,

## NOW A REALITY

Three events highlighted the evening of October 14, 1966. The dedication of the Senior Lawn to Mr. Lindsay, the senior class Dean, brought a mixture of both tears and cheers. With the graduation of Rio's first senior class, Mr. Lindsay became the new freshman dean. After Dave Morgan, Senior Class President, finished the dedication ceremonies, the motorcade began. Over 150 decorated cars toured the Rio Americano district; yelling, cheering, and honking horns. When the procession arrived at the El Camino stadium the crowd poured in and showed their enthusiasm through the entire game. The evening reached its memorable climax when the Raiders beat the El Camino Eagles by a close 19-14.

# MASCOT KINDLES SPIRIT

The "Spirit" leaders spent a busy year at Rio's football and basketball games, rallies and class meetings.

The Songleaders helped represent Rio when they performed during Sacramento State's Homecoming game halftime. And, besides leading songs and yells, the head yell leader and songleader helped decide student activities and policies with their vote on Student Council and representation on Rally.

During the year our Mascot was seen on horseback, was part of Rally's skits, was director of the competitive yell contest and was a customary sight at all sports activities.

Being members of the Inter School Spirit Leaders club, our "Spirit" leaders gained and exchanged ideas with other groups in the San Juan District.

## TRACKETTES INCREASE TO FORTY

This year Rio's Trackettes increased in number to forty interested girls. Under the direction of Coach Mel Ross, they assisted at all of our home track meets. The organization was formed to assist in keeping scores and to take care of equipment. Their objective was to promote a more efficient track meet for the benefit of the team and school.

# RALLIES ARE SUCCESSFUL UNDER SPIRITED DIRECTION

Planning rallies, selling booster ribbons, painting posters and decorating for games are only a few of the many tasks facing a Rally member.

Under the direction of Mrs. Desmond and Miss Laskey, this year's group selected new uniforms and worked even harder than ever to keep our rooting section spirited.

In addition to sponsoring the kick-off dance of the year, Rally's projects ranged from an inter-class contest for collecting white shirts to luncheon banquets for the various athletic teams.

Betsy Stooven, Sandy Irvine, Rod Franz, Nancy Dauser, and Maggi Airola decorate the goal post.

# RIO'S RA'ETTES MARCH TO FAME

Since achieving the title of 1966 State Champion Drill Team, the RA'ettes have expanded in both number and program. The early morning practices found twenty-eight sleepy girls instead of the former twenty, working for an hour before school, three times a week.

Rio Americano was well-represented throughout the area as the RA'ettes marched not only for neighboring colleges and universities, but also in the Northern Metropolitan and Camelia Tournaments. With the help of Rio's band, our eye-catching RA'ettes introduced the Christmas season and Santa Claus to Country Club Center.

## SOPHOMORES CARE FOR ORPHAN

The primary project of the Sophomore Class was the sponsorship of a West German orphan, Renate Sonnenberg. She was 9 years old on October 1 and attends first grade at a special German school.

When Renate and her five brothers and sisters were deserted by their mother, they were forced to care for themselves while their father worked at his small paying job. Since outside help soon grew urgent, the welfare workers brought Renate to a home for care. During this past year she has been supported by the money sent monthly by the Sophomore Class.

# VARSITY BASKETBALL DRAWS LARGE CROWDS

Rio Americano's Varsity Basketball team didn't do as well as expected, mainly because the "breaks" were against them. The club was riddled with illnesses and injuries ranging from the flu to broken bones.

After their success in the North Metropolitan Tournament, in which they placed fourth, Rio went into a slump and couldn't get rolling.

Despite the team's record, the Raiders had victory snatched from them in the final minutes of many thrilling games.

## OFFICERS WORK ON RIO'S CAMPUS

The primary project of our Fall Student Body Officers was the beautification of Rio Americano's Campus. To combat the Winter mud, sidewalks were layed around the C-D area and by the two gymnasiums.

Our Fall officers planted young trees to help solve Rio's wind problem and provide shaded areas in the future. Their contributions to Rio will be remembered in the form of a more beautiful campus.

## SPRING OFFICERS PLAN FOR STUDENT COURT

This year, our Spring Student Body Officers undertook the organization of a student court. The purpose of the court will be to govern and discipline Rio Americano students. The court is hoped to be completed and put into effect by the fall of 1967.

Also on the agenda for the spring officers was the planning and promotion of TWIRP. After careful consideration and a great deal of hard work by the Assembly, everyone joined in for a great week of activities, climaxed Friday night by a successful TWIRP dance.

# SRS. ESTABLISH LAWN

The Senior Class of '67 decided they needed distinction on the campus. Besides their green and gold "I'm a Senior" buttons, they wanted their own plot of ground.

The location for a traditional Senior Lawn was finally picked and the boys started work. They dug up the corner of the grass area around the flagpole and laid concrete. They also planted thirty-four bushes around the edge.

Dave Morgan, President, dedicated the lawn to Mr. Targe Lindsay, Senior Dean, to show appreciation for the fine job he had done for them for four years.

The class of '67 defended and improved the lawn they started and now expect all future Senior classes to do the same.

Seniors expressed concern for "lawnless" students and suggested a location for their consideration.

Remembering

1998(1)

BACK ROW: Pete Golze, Dave Gerlitz, Lyle Fortado, Matt Pasto, and Randy Luce. FRONT ROW: Darlene Johnson, Jan Ahman, Joann Float, Sue Stavig, and Arlene Johnson.

## THE ESSENCE OF RIO

The class of '67 has started many fine traditions and endorsed the beginning of fine policies. Backing these ideas up, and always there to help, are the above students, who are in effect the essence of Rio.

Seniors if you see yourself in these students feel that you also are honored. Juniors, sophomores, and freshmen, it would be hard to match these students but don't let that discourage you.

Darlene Johnson is busily marking off the rooting sections for a big game

The morning after the Golden Gala, hungry seniors converged on the "Y" for pancakes and boxes of Almond Roca.

## BUSY SENIORS RAISED MONEY FOR GRAD PARTY

The Senior Graduation Committee started work early in the fall to raise money for the end of-the-year party. Their first concentrated effort was a candy sale that started on November 9, 1966. It was kicked off with a pancake brunch held at the Northeast Branch YMCA. Darlene Johnson was chairman of the brunch and other seniors volunteered to help with publicity, shopping, cooking, and cleaning up. It was handled without any adult supervision and was a complete success. Mr. Brewer, principal, received a letter from the "Y" commending the seniors' spirit, initiative and behavior. In the end, approximately 4,000 cans of Almond Roca were sold netting over \$1500.00.

On January 1st, seniors began collecting bottles. The drive was organized by Pat Smith who appointed area chairmen and accepted the bottles at her house. In this way, every street was covered and no bottles were lost. Many bottles were returned to the bottling companies and the rest to supermarkets, bringing in nearly three hundred dollars.

With thousands of bottles on a hard porch floor, you have to expect a few mishaps.

Senior boys gave up their time to help with the heavier jobs.

No doubt about it! The 7up company undoubtedly won the contest.

Bottle drive area chairmen surveyed the results of their efforts, more than a porch full of cartons and glass.

Planning wasn't all fun. Kevin Hunt and Wendy Woollett gave details a lot of thought.

In the Fall the Senior Officers decided that in order to have a successful Grad Party all the Seniors should help. Informal meetings were held in the various homes on Monday nights whenever they were necessary. Attendance was voluntary and the meetings were open to anyone interested. The Grad Party committee was responsible for the Senior Buttons, the candy sale, the bottle drive, and the Senior Breakfast. No adult supervision or assistance was utilized in planning these activities; however, Mr. and Mrs. Milton Lawrence and Mr. and Mrs. Larry Vanderwagen acted as advisors.

## SENIORS PLAN GRAD PARTY

After the meetings students usually took advantage of a good time to see people they often missed at school.

In a moment of comparative calm, Jan Gibson makes a suggestion.

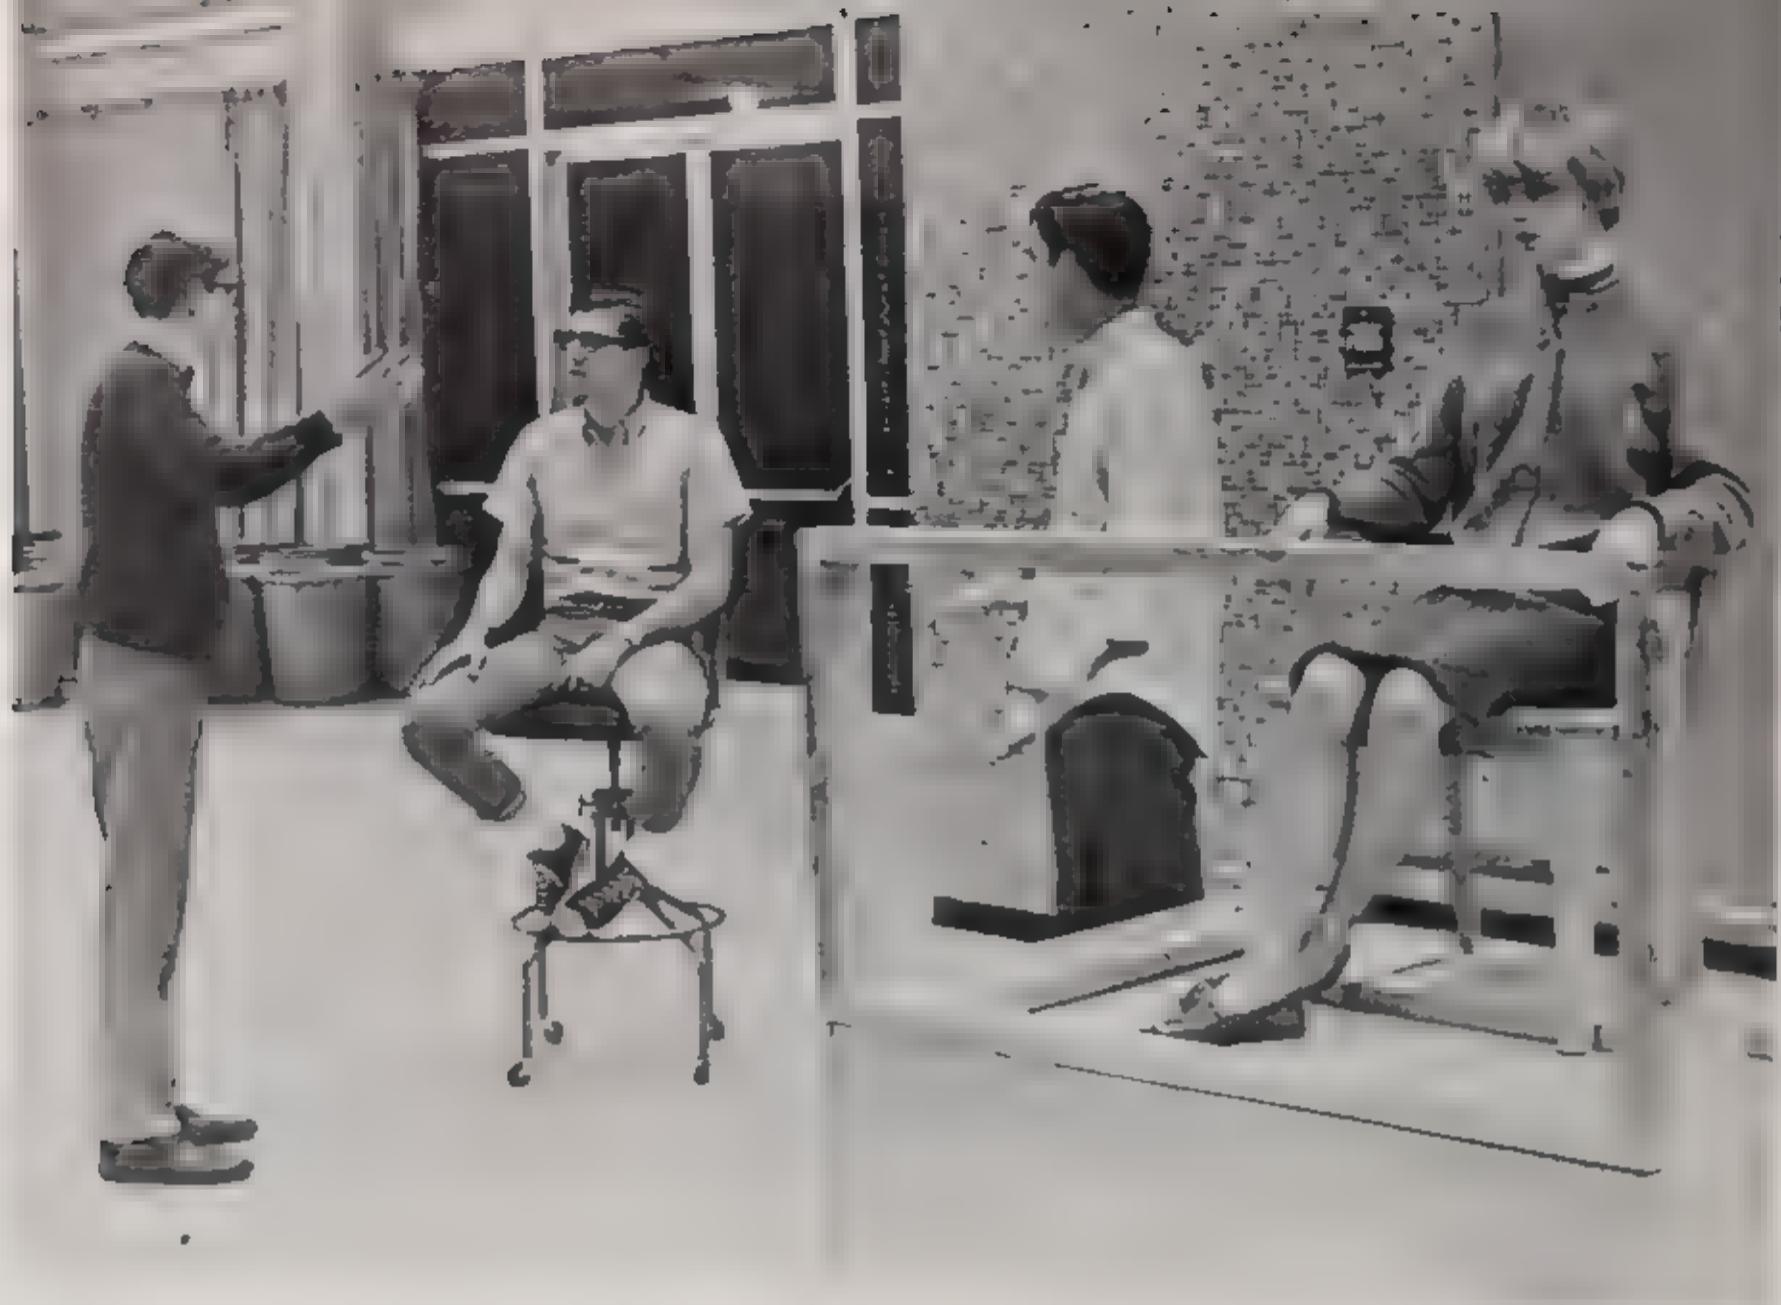

Maybe we had better call the Arden Fire Department!

## BANK OF AMERICA AWARDS ANNOUNCED

Every year the Bank of America presents a number of awards to several outstanding seniors from each high school.

These seniors were officially honored at the Senior Breakfast on June 7th, the day before graduation.

# FIVE REIGN OVER SENIOR BALL

On May 20th the Girls' Gymnasium was transformed into a Southern Plantation as couples attended Rio's first Senior Ball. The Senior Ball Committee was responsible for the selection of the theme, decorations, and music in preparation for the event. The voting for the Princesses took place in April, however the Queen was not selected until the week of the dance.

Miss Shelley Keer

Miss Mardi Crow

Miss Sue Eisehart

BACK ROW: Lynette Schweigert, Sandy Williams, Kathy Kerdus, Karen Boettcher, Sara Greenwood, Sandy Carter, Jackie Kneedle, Vicki Seastrom, Joan Watters. FRONT ROW: Scott Hendricks, Laura Elliot, Linda Rometti, Denise Findley, Karen Meckessel, Jan Ahman, Colleen Murray, Sue Stavig

# ALL NIGHT GRAD PARTY: THE SENIORS' FAREWELL

The Senior Grad Party was held at Alpine Alleys. Entertainment was provided by many good name bands, including the LOOKING GLASS and the ROYAL BISHOPS.

Seniors descended upon the bowling alley after graduation and from midnight to dawn spent their last good time together bowling, playing pool and dancing.

The planning of the party took months of hard work, but it paid off in having a night that no senior will ever forget.

Mr. Tom Hyde measure Mikey Baker for her graduation cap.

On the night of June 8, 1967, approximately three hundred fifty members of Rio Americano High School's first graduating class, participated in Commencement exercises. This -- the climax of each student's high school life -- was preceded by five months of planning, anticipation and apprehension.

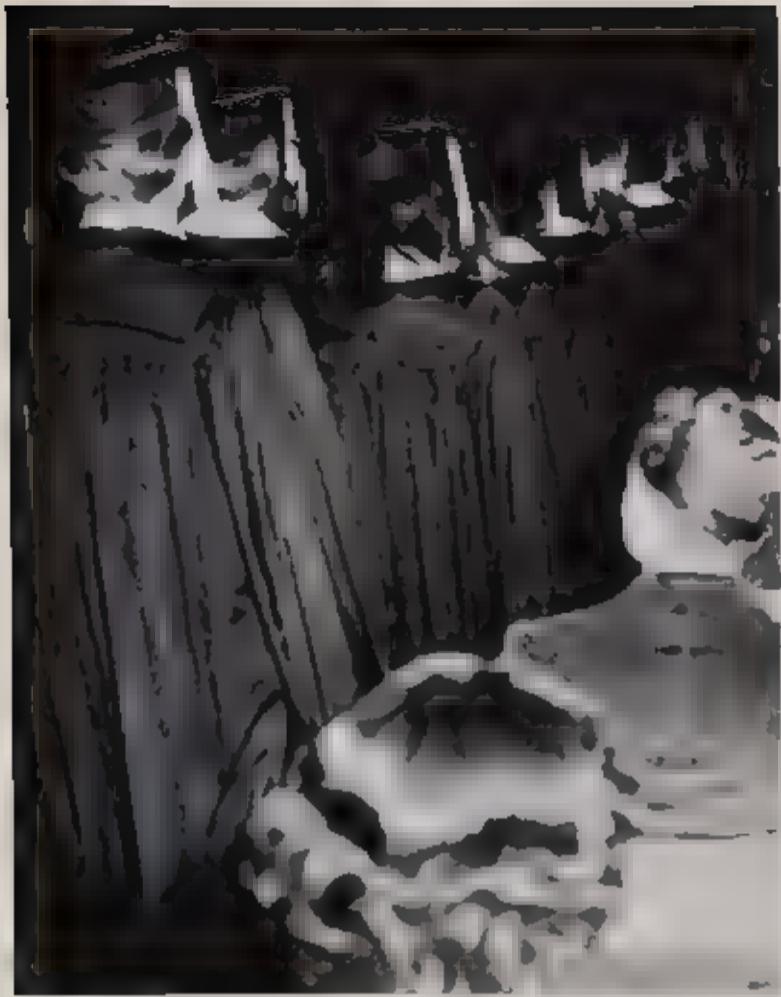

On January 29th, nine seniors preceded the class by graduating mid term at Mira Loma High School. In February, students ordered their graduation announcements during Civics or American Problems classes. In March came the measurement and selection of caps and gowns in Rio Americano's green and gold colors. April and May were filled with anxiety and last minute preparation for June.

June 8th was a mixture of joy, tears, hope and fear; but it was a long to be remembered night, full of happy memories.

## play it safe

Sure a checking account helps you organize financially. But another big benefit is safety. When you lose a check, you don't lose money. And you're safe from misunderstandings about bill payment, because each cancelled check is a receipt. Crocker-Citizens offers Special Checking Accounts at low cost, with no minimum balance required, and Regular Checking Accounts which cost little or nothing, depending upon account activity and balance. Stop in and see which one better fits your needs. Play it safe.

Nancy.

Thank you for your letter.  
Please accept my  
feeling of admiration  
as a true writer and  
a true poet.  
Good luck  
and success.

Chuck, You great philosopher  
I think your theories and  
writings are great and know  
you will go far very far.

Very truly yours,  
John D. Morris

Chuck  
the time has  
come to say bye  
to you and everyone  
else. Keep up your muscles  
like all. They are  
in the shape  
you someone is the  
same

Chuck  
I still remember  
having you in English  
Brockman that I could have seen more  
of you. You really are darling  
I liked your poem in the paper  
Be good, your friend  
Sally

Chuck  
You are  
so ugly but when  
we are  
gathered together  
you & I will be  
your summer  
partner  
your tattoos  
will

For always  
Sally

Chuck  
I see you  
have had a  
great year  
will miss an  
I know  
Robin will  
Good Luck  
wherever  
you go.  
Sally

Chuck,

I don't really know  
you very well but I  
do wish you the best  
of luck. Take care &  
yourself.

Yours,  
Mandy.

Chuck,  
To one of the  
cool, nutty, bitchy  
guys in our weird  
debate class. Good  
luck in the future.  
Love ya,  
Shelbie  
Staker
